## GREAT CROWDS

gged in St. Petersburg and Welcomed the Survivors.

Petersburg, April 29.—2.05 p. m. is oldest inhabitant of St. Petersburg does not remember such an outburst of popular enthusiasm as was assed today on the arrival of the survivors of the Varig and Korietz, escorted by the raw, rainy weather. A hundred thousand people crowded the three mile Nevsky street from the railroad depot to the palace. The roofs and windows were crowded with people waving naval flags, whole route was lined by soldiers and cadets of the military school. Every regiment was sent, as if the emperor wished us fighting men to see how the e are honored. Entrance to the t was only obtained by special t, but no one was admitted after a m. in view of the impossibility of passing through the crowd. A trap drew up at 10 a. m. and Grand Duke Alexis, as high ad, received the heroes. The d, however, had the first word. Afer the service all the sailors remained and were banquetted at the emperor's guests, going later to entertainments at the city hall and at the People's palace.

Story of Battle. Vladivostok, April 29.—The squadron commanded by Rear Admiral Yezzen, has returned here from its recent operations off the Korean coast. The squadron, consisting of the armored cruisers Rossia, Rurik and Gromobol and the protected cruiser Bogatyr, put to sea at daybreak April 23. The Rurik returned the following day, but the others proceeded to Won San (Gen San) Korea, and have to off the town during the morning of April 25th, about five miles from the entrance of the bay. Admiral Yezzen sent into the bay two torpedo boats, commanded by Lieutenant's Poehl and Maximoff. As they ran in towards the shore they found the Japanese trading steamer Goyo Maru at anchor, with a crew of about twenty men on board. The latter were ordered ashore. Lieut. Maximoff boarded the Goyo Maru, took possession of her papers and flag and then sent her to the bottom with a torpedo. The torpedo boats forthwith rejoined the squadron after four hours absence. There was no sign of troops ashore and the bay was empty, but it was learned that four Japanese torpedo boat destroyers had put out to sea at dawn on the 25th. ## X-GOV. CAMPBELL TO RETURN TO OHIO.

ow York, April 29.—E-Governor Campbell, of Ohio, will return next to his home town, Hamilton, O. as for the last five years been a cent of New York. He expects one up his law business here by ber. David B. Henderson, former ker of the house of representa- who just announced his inten-

miral, moved with emotion, embraced Captain Roudneff and the other officers.

It was now the turn of the deputations from the nobility and municipality to present addresses of welcome and the traditional bread and salt.

Then began the triumphal march down the Nevsky of the officers and men of the Varig and Korietz, marshaled into two columns, and preceded by two bands of music. The people went wild over the heroes and showered them with flowers and a mighty roar of cheering from roofs, windows, balconies and lamp posts and the surging masses below.

Near the palace square stood the cadets of the military school. Those of the younger class, the little fellows aged seven, forgot to salute and instead tore off their caps and cheered.

As the column of heroes approached the palace of the winter palace, the emperor and empress came out on a balcony, greeted them and then retired to receive the visitors in the magnificent Nicholas hall, which had been converted into a church.

There a special te deum was sung. The service was attended by a brilliant assemblage, rendering all the more conspicuous the trampled uniforms of the noble jackies who fought at Chemulpo.

After the service all the sailors remained and were banquetted at the emperor's guests, going later to entertainments at the city hall and at the People's palace.

## OWNERS ARE INCLINED TO

**Insist on Reduction in Wages From Those Paid Pilots Last Year.**

Cleveland, O., April 29.—The Lake Carriers' Association met with representatives of the Seamen's Union today to fix the scale of wages for the present season. The men desired that last year's scale be adopted, but the vessel owners are inclined to insist upon a reduction. Arguments were made at length by both sides. There was no change in the situation today relative to the difficulties between the Lake Carriers' Association and the Masters' and Pilots' Association, both sides apparently adhering to their announced determination to "stand pat."

## KING

**And President Say Farewell.**

**Naval Parade**

**Attends Loubet's Departure at Naples.**

**Thousands of People Crowded Cafes and Streets During Night.**

**And the Ovation Given France's President and Italy's Ruler This Morning Was Grand in the Extreme.**

Naples, April 29.—Naples remembers no event in late years which compared with the scene today, (the occasion being the visit of President Loubet, of France) or gathered such enormous crowds of Italians and foreigners. It is estimated that 20,000 people crowded the streets all night, unable to find beds. From early morning every position available for witnessing the naval review was completely occupied by spectators and the magnificent Gulf of Naples was absolutely covered with craft of all kinds, from large yachts to humble fishing and rowing boats, and of all nationalities, each hoisting its colors, the French predominating. The spectacle of the French and Italian squadrons anchored side by side was magnificent and most imposing.

The battleship Regina Margherita, having on board President Loubet, King Victor Emmanuel, and the Royal Princess, with their respective suites appeared from the military harbor and was saluted by thundering hurrahs, the booming of cannons, and the waving of handkerchiefs by the immense multitude. The Regina Margherita was followed by the torpedo gunboat Eurydice, with members of the diplomatic corps, headed by United States Ambassador Meyer, on board, and by other ships carrying dignitaries of state, members of parliament, representatives of the press, etc. President Loubet and King Emmanuel on the bridges of the Regina Margherita were saluted with the strains of the Marseillaise, and the Royal Italian March.

The weather, which yesterday was so unpromising was glorious, the bright sunshine gilding everything. The Regina Margherita passed twice between the squadrons and President Loubet and the King exchanged compliments on the perfect organization of the ships and the appearance of the men. From the Regina Margherita, President Loubet went on board the French cruiser Marseillaise, which is to carry him to France. He was saluted by 21 guns from each ship and by cheers from all the crews. Shortly after embarking on the Marseillaise, he was visited by the King, when the last adieus were taken. Amidst a scene of indescribable and delicious enthusiasm, the French squadron left the bay, headed by the Marseillaise. The French ships were accompanied by six Italian battleships and two squadrons of torpedo boat destroyers. As long as it was possible to distinguish the salutation, President Loubet and the King exchanged their farewell salutes, standing on the bridges of the two warships.

## GAGE

**Talks on Acquisition of Wealth.**

**Society Gains**

**Three-Fourths, Individual One-Fourth.**

**He Contends That It Is Not Robbing Others to Acquire Wealth.**

**The Ex-Secretary of the Treasury Looks Upon the Average Millionaire as a Modern Philanthropist.**

New York, April 29.—Lyman J. Gage, formerly secretary of the treasury, and now president of a trust company here, has addressed the Young Men's Bible class of the Fifth Avenue Baptist church on the question, "Is the acquisition of individual wealth inconsistent with the material welfare of society?" He was introduced by John D. Rockefeller, Jr., the leader of the class and said in the course of his address:

"A clergyman has declared that no man can acquire a million dollars in a life time without robbing somebody. That sounds well to those who have not got a million. It is more comfortable to feel that we have been injured than that we have injured somebody. If the man who can make two blades of grass grow where only one grew before takes to himself one of the fourth of the increased product and lets the three-fourths go to society, society gets a very good bargain. Nobody will say that the man whose ability has thus enriched society is not entitled to fair return for himself. Mr. Gage cited several instances of his idea and continued:

"There is a blind idea that if a man has money, he must have taken it from somebody who had it before him. That there is a fixed amount of wealth which is being handed around. That is not so at all. New wealth is being produced all the time. The men who have accomplished the great things are the most poorly paid, no matter how wealthy they may be. So we come to the question, is great individual wealth an injury to society, or is it robbery, is it the exploitation of the poor? I affirm that it is not."

## FOUR LIVES

**Were Lost in a Fire Last Night**

**Which Destroyed a Three Story Brick Building.**

**One Victim Fell to His Death, While the Other Three Were Burned to Death in the Building.**

Lansing, Mich., April 29.—Four lives were lost last night in the burning of the Bryan house, a three story brick structure on east Michigan avenue, the first floor of which was used as a machine shop. The dead

JEROME C. STILES, Grand Rapids. JOHN VOLLMER, Lansing. RANSOME DINGMAN, Lansing. JAMES RAY, Lansing.

Stiles fell from an upper window soon after the fire broke out, and died from his injuries at the hospital. The other three victims were burned to death, their charred bodies not being found until daylight permitted a search of the ruins. Several other boarders and two firemen were cut and burned during the progress of the fire but their injuries are not serious. A large tank of gasoline in the basement of the building exploded a few minutes after the fire broke out, scattering flames all over the building and making it impossible to render assistance to the inmates. The financial loss is about \$5,000.

DEDICATION OF THE GARY LAW COLLECTION.

Chicago, April 29.—Services dedicating the Gary collection of continental law, a part of the library of the Northwestern University, were held today at the University Law School. There were speeches by the Hon. John W. Foster, of Washington, D. C.; Hon. Jacob M. Dickinson and others. All of the foreign consuls in Chicago were present as guests. The collection is due to money contributed for the purpose by the Hon. Elbert H. Gary, of New York, a graduate of the Northwestern University.

## PROTECTION FOR CHILDREN.

**Chicago Tots Can Shoot Fire Crackers, But Under Strictest Supervision.**

Chicago, April 29.—In order to protect children from injury and property from damage, the Chicago Amusement Association is planning to furnish free fire crackers and torpedos in unlimited quantities to every child in Chicago on Independence day. The ammunition for patriotic celebration, however, must be exploded in the parks and public play grounds under the supervision of a fireman, a physician and a member of the newly created association. The organization is capitalized at \$1,000,000.

**By a Deputy Sheriff of King's County.**

**The Firm of Woodend & Co Forced to the Wall by Heavy Creditors.**

**Judgment Against the Firm for the Sum \$4,818, Held by E. C. Johnson Brought About the Crisis Today.**

New York, April 29.—A deputy sheriff today took possession of the office of Woodend & Co., members of the Consolidated Stock Exchange, on an attachment for \$4,818 in favor of Harry C. Johnston, who held a judgment for that amount.

The firm of Woodend & Co., said President Randolph, of the Consolidated Exchange, today, "is composed solely of Dr. W. E. Woodend, L. J. Bruch, who was the manager for Woodend & Co., is a member of the Consolidated Exchange, but he had no financial interest in the firm of Woodend & Co and cannot be held responsible for their debts. Bruch severed his connection with the firm a week ago. Woodend, although a member of the Consolidated Exchange, seldom was on the floor, while business he transacted on the exchange was through brokers."

Up to a few days ago, the firm had extensive wire connections to branches in various cities and it was generally supposed to be doing a large business. It was said today that several attachments against Woodend & Co. had been issued. E. H. Godwyn, of Pittsburgh, Pa., says the firm owes more than \$10,000 and that he obtained a summons for Woodend some time ago but did not serve it. He said further that Woodend was to have met a number of creditors yesterday but failed to do so.

At the home of W. E. Woodend, who is a physician, it was said that he was too ill to see anyone except his physicians and intimate friends. The attorneys for the firm promised to issue a statement later in the day.

Dr. Woodend abandoned the practice of medicine nearly four years ago, and about that time became a member of the Consolidated Exchange. Branches were at first established in Chicago, Philadelphia, Washington, Newark, Syracuse and Rochester, with private wires and subsequently twenty other branches were opened in various parts of the country.

An admirer of fine horses, Dr. Woodend became prominent at several horse shows, having thirty-six entered at the National horse show at Madison Square Garden last November and was twelfth on the list of winners, Reginald Vanderbilt being the thirteenth. He was probably the most prominent exhibitor at the Long Branch horse show.

Recently twenty of the Woodend horses were sold at auction for an aggregate of \$11,650.

In the recent tour of Madame Patti according to the testimony of Robert Grau in supplementary proceedings, Dr. Woodend was one of those who guaranteed a payment of \$60,000 to Mme Patti.

Dr. Woodend had not been in his office for several days and customers who wished to consult him as to investments expressed some uneasiness when they learned of the sale of his costly stable and of the curtailing of expenses in other ways.

# SUPREME COURT IS

**Expected to Hand Down Decision on Inheritance Tax Bill Tuesday.**

**Until That Comes Herrick**

**Will Sign no More Appropriation Bills--New Phase Put on Missing Assumed Risk Bill--Governor for Economy Forced to Veto Governor's Mansion Bill.**

Columbus, April 29.—Governor Herrick will sign no bill carrying an appropriation until after next Tuesday, when the supreme court is expected to hand down a decision in the inheritance tax case. For the reason that it must be signed or vetoed not later than today, and could not be held until after the decision, the governor vetoed the governor's mansion bill last night. The reasons were purely economical. Without the inheritance tax the judicial salaries may have to go as well together with some parings off of the regular appropriations.

New Phase on Missing Bill. Attorney General Wade Ellis has put a new phase upon the missing Williams' assumed risk bill by intimating that its loss by no means invalidates its passage and force. The bill was regularly passed and signed by both presiding officers. Unless vetoed it would have become a law in ten days. Ellis declares that the bill is law, the governor not having vetoed it. "What would be the effect," asks Ellis, "if a fire should destroy all the engrossed bills in the state house?"

Lark May Be Investigated. The trustees of the Soldiers and Sailors' Orphan Home, at Xenia, may investigate the alleged disorderly conduct of the legislative committee that visited the institution some ten days prior to the legislative adjournment. The stories circulating about the affair are of such a character as to demand either substantiation or repudiation officially. Bills Still Unsigned. Besides the appropriation bills and bills carrying appropriations for salaries, the tuberculosis hospital, etc., a total of 17 house and 14 senate bills, the governor has still unsigned the following: Bassett's bill, providing for a board of purchase and supplies for cities. Eubank's bill, authorizing the dismantling of the gas plant at the penitentiary. Hoffman's bill, providing for crossings of railroads and highways hereafter constructed. Austin's juvenile court bill. Overturn's bill, relating to the crossing of steam and electric railways. Moore's bill, to refund bonds of Ohio State University and the state board of agriculture. Bruce's bill, to place electric railways on the same taxing basis as steam railroads. Harris bill, appropriating \$200,000 for the improvement of the Northern division of the Ohio and Erie canal. Off to St. Louis. Governor Herrick left at 7 a. m. today for Cincinnati to join the commercial club of that city on its trip to the St. Louis exposition. He expects to reach Columbus again Monday night.

## "MRS. WIGGS OF CABBAGE PATCH"

Louisville, Ky., April 29.—The female Apostle of Sunshine, "Mrs. Wiggs, of Cabbage Patch," who in private life answers to the name of Mrs. Mary Bass, was today dismissed by Judge McCain, in the police court, where she made her appearance to answer the charge of throwing the contents of a slop-jar on Mrs. Emma Smith, also of Louisville. Mrs. Smith claimed that her dress was ruined, her pride shattered and that her philanthropic impulse received a shock.

## FINAL DETAILS OF THE PANAMA DEAL.

Paris, April 29.—The final details of the big financial operations involved in the Panama payment are almost concluded, the expectation being that an agreement will be reached today or tomorrow. J. Pierpont Morgan is personally directing the transaction and the indications are that he and a number of American financiers who he is associating with him, will consummate the transfer of the funds. It is Mr. Morgan's intention to admit some of the leading Paris banks to share in the transaction, but the carrying out of the plan will be essentially in American hands.

## LUTHERAN DENOMINATION

**Beneficiary in Many Instances by Will of a Wealthy Pittsburgh Churchman.**

Pittsburg, April 29.—The Commonwealth Trust Co filed for probate today the will of Jane H. Reamer, who left an estate valued at several hundred thousand dollars. Much of the estate is given to various religious and charitable institutions, among them being the Aged Women's Home of the Lutheran church, of the general synod at Washington, D. C., \$1,000; the Women's Home and Foreign Missionary Society of the general synod of the Evangelical Lutheran Church of the United States, \$2,000; the board of church extension in the Lutheran church of general synod, situated at York, Pa., \$2,000; Bethany Lutheran church, North Highland and Kirkwood streets, Pittsburg \$10,000. The trustees of the Penna. College, at Gettysburg, \$2,000, this sum to be used to educate young men for the ministry of the Lutheran church; the Women's Home and Foreign Missionary Society of the Pittsburgh Synod of the Lutheran church of the general synod \$2,000; the Deaconess' Home of the Lutheran church, Baltimore, Md., \$10,000; Tressler Orphan's Home, Lanxville, Pa., \$1,000.

Cleveland, April 29.—The wage committee of the Amalgamated Association of iron, steel and tin workers, met here today to arrange preliminary work for the annual convention of the organization which begins in this city next Tuesday. President Shaffer, of Pittsburg, delivered an address to the committee upon the industrial conditions prevailing during the past year. He said that while the Amalgamated Association had accepted reductions in wages, the same was true of other labor organizations. President Shaffer attributed the slight industrial depression and the recent lowering of wages, largely to the fact this is presidential election year. He urged the committee to examine conditions in all quarters with the utmost care in order that the new wage scale should be prepared with fairness to all interests. It is probable that the convention which will be called to order next Tuesday, will be in session for at least two weeks.

NEW  
Demands of the License Law  
Are In Effect  
And the Price Goes Up to \$150.

Applicant Has a Number of Important Questions to Answer  
Which Cover Many of the Causes Advanced by Those Who Drift From the Altar to the Divorce Court.

The first marriage license issued under the new amendments to the old law, was made out this morning to Guy Sprout, aged 26, a clerk of Bath township, and Olive O. Mumaugh, 26, of the same neighborhood. The new law, executed by the general assembly, went into operation yesterday, and one of the changes that effects the applicant is the additional cost, as the price has been raised from 75 cents to double that amount, the license clerk now charging \$1.50 for the services. Heretofore an applicant for a marriage license had to swear, in addition to age, place of birth, residence, etc., that the contracting parties were not nearer of kin than second cousins, and that they had no husband or wife living. Under the recent amendments the applicant was to swear, in addition to the above, that neither is an habitual drunkard, epileptic, imbecile or insane person, or under the influence of liquor or a narcotic drug. If the letter of the law is adhered to, many of the causes now given for granting of divorce decrees, will not be in existence at the time the license is issued, and it will have at least some of the good effects intended.

**Big Damage Suit.**  
The Buckeye Pipe Line Co., is the defendant in a \$20,000 damage suit filed yesterday afternoon by Attorney Kent Hughes, who represents Alva J. Gantz, a minor. The plaintiff, according to the petition, was employed by the defendant company in the tankage department and in July of last year he claims to have been placed in a hazardous position on the top of a big tank which was covered with loose boards in process of completion. While on top of the tank he was told to stand aside by the foreman on the

job, and the latter pushed him in such a manner that he fell through an opening to the bottom of the tank. As a result of the fall he sustained a number of severe injuries which have left him a total wreck. He says his jaw was fractured, his face and head cut, his knee, ankle and wrist sprained and the ball of his right eye knocked from its socket totally destroying the sight. He asks as recompense for his injuries the sum of \$20,000.

**Served His Time.**  
Frank Moyer, who was sent to jail by Mayor Robb for carrying concealed weapons, has served his ten days and was released this morning.

**Complaint Well Founded.**  
Judge Cunningham rendered a decision today in an injunction suit heard at Sidney in which E. A. Calhoun et al were plaintiffs and H. M. Colvin, of Lima, defendant. The petitioners, who are residents living near a tankage factory operated by the defendant, claim that they are greatly distressed by the obnoxious odors coming from the place, and asked that the defendant be enjoined from operating it. The court found from the evidence that the complaint was well founded and ordered certain improvements made to overcome the objections, otherwise the location of the factory will have to be changed. Attorney J. D. Barnes, of Sidney, who represented the plaintiffs was present to hear the decision.

**Partition Asked For.**  
A petition asking for the partition of land in Jackson township in which Wm. H. Hauley et al are named as plaintiffs and Mable Kidd, a minor, defendant, was filed by Sprague and Lipscomb.

**Real Estate Transfers.**  
Theo. Roush to the Western Ohio Ry. Co., right of way in Bath township, \$599.  
Lizzie Milyard to David Potts, 2 acres, Amanda township, \$325.  
Solomon Ruff to D. F. Mooney, 3 acres in German township, \$400.

IS DESTROYED.

VANCOUVER, B. C., APRIL 29.—NINE-TENTHS OF FERNIE, B. C., A TOWN OF 3,000, THE LARGEST SETTLEMENT IN CROWS NEST PASS DISTRICT, WAS DESTROYED BY FIRE TODAY. ESTIMATED LOSS \$500,000. THE WATER SUPPLY ALMOST FAILED AND THE FIRE BURNED ITSELF OUT. NEARLY THE WHOLE OF SIX BLOCKS WERE DESTROYED INCLUDING SIX HOTELS, TWO WHOLESALE HOUSES, CHRIST CHURCH AND VIRTUALLY ALL THE RETAIL STORES IN TOWN. THERE WERE NO CASUALTIES.

THE IDLER

Some of the women are beginning to yield to common sense by removing their hats during church services. And if they only knew how much it adds to their good looks and to the pleasure of those sitting in the rear of the sanctuary, they would feel that they had taken a long step in the interest of downtrodden humanity. Let other women go and do likewise, and thus lend a little encouragement to men who are trying to walk in the straight and narrow path. —St. Marys Graphic.

The Sanitary bulletin issued from the state board of health shows that from January 1 to the present time, 30 cases of small pox were reported from Allen county, the disease being confined to three districts. Eight cases were reported from Lima, eight from German township and 14 from West Cairo, but all of the patients recovered. There have been no new cases since the first of March, and so far as known, the county is now free from the disease.

The old soldiers should begin preparations for the observance of Decoration Day. Each year is adding many new-made mounds beneath which are interred the remains of the soldier dead. The ranks of the old vets are being rapidly decimated, and the most beautiful and effervescent flowers that bloom are not too precious or too fragrant to decorate the last resting places of those noble heroes. Speak a kindly word for the soldiers living, and gather the sweetest smelling flowers as a tribute to the soldier dead. You can never fully repay the veterans of the war of '61 to '65 for the services they rendered this country.

Thursday, May 12 is the day set apart for the annual military contest of the O. N. U. at Ada. This is always a red letter day for Ada and will take hundreds of people there. One of the characteristics of the O. N. U. is the wonderful enthusiasm that surrounds the military contest. Many old pupils and hundreds of friends of the institution throughout the county and state make it a sort of a day for an annual visit to the O. N. U.

SPEED REACHED.

Michigan Central Train Carrying President Exceeds Hundred Miles an Hour Rate.

Detroit, April 29.—Official reports were received today showing that the unprecedented speed of 109.4 miles an hour has been made by the Michigan Central train carrying President Lindbergh and President Newman to Chicago. The remarkable time was made

Wednesday, between Brownsville and Springfield, Ont., according to duly verified statement of the train dispatcher. This establishes a world's record. A pilot passed ahead of the train and all crossings were guarded but the switches were not spiked nor was the regular running of trains interrupted.

# MERCURY

## A POOR CRUTCH.

Experience is a dear teacher, as those who pin their faith to Mercury find out sooner or later. This powerful poison combined with Potash, is the treatment generally prescribed for Contagious Blood Poison, but failure of the patient is the inevitable result. These mind drive in theories and eruptions, and apparently the cure is gone and the patient believes the cure permanent, but soon learns better when the old symptoms reappear almost as soon as the treatment is left off. You either keep the system saturated with mercury or endure the tortures of mouth, ulcerated throat and the mortification that one naturally feels when the body is covered with disgusting sores, rashes, copper-colored tches and other aggravating symptoms of this vile disease. Mercury and Potash are poor crutches, and their use eventually breaks the constitution, ruins the digestion and cause the bones to decay. S. S. S., a guaranteed purely vegetable remedy, is the only antidote for Contagious Blood Poison. It destroys every atom of the deadly virus, overcomes the bad effects of the mercury and cleanses the blood and system so thoroughly that never after are any signs of disease seen. Nor is the taint ever transmitted to others. We will send free our book on Contagious Blood Poison, which is interesting and contains full directions for treating yourself at home. Medical advice or any special information desired given without charge.

## Time and Place of the Funeral

## Of Andrew Laushan Has Been Changed—Will Be Buried Here

## New Enterprise, Railway Extension, Sick Folks and Visitors Given in Brief Form.

Plans for the funeral services and interment over the remains of the late Andrew Laushan, who died Wednesday, have been changed, and the body will not be shipped to Portageville, N. Y. Tomorrow morning at 8 o'clock, Rev. Father Rupert will officiate the obsequies at St. John's church, and interment will be made in Gethsemani.

The aged mother, who lives at Portageville, N. Y., will not be able to attend; but both sisters, Mesdames Lynch and Forest, of Perry, N. Y., will arrive this evening to pay their last respects to a dear brother.

Notice to Rebekahs. There will be a called meeting of Stella lodge this evening at 7:30 at Solar hall. Business of importance. By order of the noble grand.

New Enterprise. Score another victory for south Lima in the way of a manufacturing establishment. A building 40x100 feet is now under course of construction near the Swan Machine works, south of the C. & W. and west of Main street, in which the Fennell Brothers intend to manufacture a device for pulling pipe from all wells. At first the shop will employ but a dozen or so men, but the promoters expect to increase the working force as business demands.

Needs Attention. Many were the kicks of school children who live on west Kibby street, the last few days, because of the dirty muddy condition of the sidewalk on the south side of the street, near Metcalf.

Pedestrians are compelled to stop down to the pavement or wade about two inches of mud, which has washed down from an alleyway, and would be very thankful if the dirt was removed. An alley crossing on east Vine near Reed causes ladies with baby carriages much trouble, as one plank has been removed, making it impossible to get by without soiling the carriage and shoes.

Quits Batching Today.

The wedding of a Lima man to a Delphos lady will occur this evening, at the town on the canal. The bride's name could not be learned, but the groom is to be J. J. Fox, a machinist at the L. E. & W. shops.

Lima Will Be Extended.

The Maxwell Brothers are said to have leased ten acres of the Charles Wheeler farm at the intersection of St. Johns avenue and Fourth streets, for horse ball grounds for the Americans. It is understood that the promoters have the promise of the managers of the street railway to extend their south Pine street line down St. Johns avenue to Fourth street, west on Fourth to Main, thence north to Main street line. Indications point to some truth in this, as railroads have been shown along St. Johns avenue. People living in Watt Town and Solarville, as well as those of Second street, Holmes avenue, Third street, and Noval Heights will gladly welcome the proposed extension.

Learnings in Brief Form.

A Davis has moved his family from west Elm street to 129 west Bureka street.

Mrs. M. Fitzgerald and children, of Marion, Ind., are visiting her parents, Mr. and Mrs. Cornelius McAnulla, of Forest avenue.

There is a time for all things, even buying shoes. Come in and let us help you select. Kraft Shoe Co. 11 Wm. Ashton, the liveryman, is sick at his home on south Metcalf street.

The one-year old child of Mr. and Mrs. Karl Copp, of west Kibby street, is seriously ill.

Amos Eby and wife, an aged couple living at 710 Holly street, are both bedfast, and need the attention of friends and neighbors.

Rev. Clarence Mitchell, who has been visiting his mother, Mrs. Mary E. Mitchell, on east Kibby street, returned to Mannington, W. Va., this afternoon.

The paint to have when you have to paint, at the Gilmore Hardware Company.

Mrs. Eva Seamen and family have moved to this city from Wadsworth.

Mrs. Lydia Johnson, of Van Wert, is a guest of Mrs. George Pierce, on Second street.

Charles Backus, of Ada, was a south side business caller yesterday. Engineer C. L. Wheeler, of south Elizabeth street, is visiting scenes of his childhood around Lincolnville, Pa. This has not been an Oxford season, but remember, we have them in stock, and want you to see them.

KRAFT SHOE CO.

W. A. Klepker, of Columbus, has taken a clerkship at the "Morris of Coarse" grocery.

Mr. and Mrs. C. L. Hardesty, of St. Johns avenue, yesterday entertained Mr. and Mrs. A. S. Polling, of Ada.

Burke's paint is the best. At the Gilmore Hardware Co. 70-2t

S. S. Smith, son of J. S. Smith, the dry goods merchant writes his father from Phoenix, Arizona, that he is coming home. S. S. is a cornetist of considerable note, and his musical friends will be glad to see him.

Word received from William Eyster, a brother of Clem Eyster, the south side fireman, says he has been in a hospital for several weeks at Gold Bar, Washington, with mountain fever.

Buy your paint at Gilmore's Hardware Co., 686 south Main. 70-2t

Samuel Lober, of south Pine street yesterday started for Los Angeles, Cal., where he expects to make his future home.

PATHFINDERS.

A full attendance is desired at the meeting of Ontario Lodge No. 11 tonight. There will be a number of applications presented and several to ballot on. There will be team practice, and refreshments.

RECORD OF THE PAST.

No Stronger Evidence Can Be Had in Lima.

Look well to their record. What they have done many times in years gone by is the best guarantee of future results. Anyone with a bad back; any reader suffering from urinary troubles, from any kidney ills, will find in the following evidence proof that relief and cure is near at hand.

W. H. Neise, of 123 south McDowell street says: "In the summer of 1896, I was called upon by a representative who wished to ascertain my experience with Doan's Kidney Pills which I procured some time previously at W. M. Melville's drug store. I gave it to him and allowed it to be published in Lima papers in November of 1898, another representative interviewed me to ascertain if I was still free from kidney complaint which Doan's Kidney Pills had disposed of over two years before. I conscientiously made the following public: "Since I used Doan's Kidney Pills, in 1896, I have had no return of kidney trouble. I can recommend them today as highly as when I gave my first statement. They are reliable and effective for backache and inactive kidneys."

For sale by all dealers. Price 50 cts per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

THE STAGE.

"York State Folks," which Fred E. Wright presents at the Fauror opera house on tomorrow night with the entire original cast and the complete scenic production, has established itself as the most popular of all the rural dramas. "York State Folks" will be seen here with the entire original company, including Ray L. Royce, James Lackaye, Harry Crosby, Arthur Gregory, Harry Jackson, Eleanor Sidman, J. Allan Rhoades, Kate Jackson, Millie Stevens, Osborn Searle, Randolph Currie, the three clever children and the surprised boy choir.

00000

The front window of Vorkkamp's drug store at the corner of Main and North streets on tomorrow evening at 7 o'clock will be a scene of interest when Prof. Boone will place a lady subject in a hypnotic sleep over the long distance telephone from Van Wert. After the lady has slept in the window for twenty-four hours she will be brought to the stage of Fauror opera house on Sunday evening where she will be awakened before the audience.

CHRONIC BRONCHITIS CURED.

"For ten years I had chronic bronchitis so bad that at times I could not speak above a whisper," writes Mr. Joseph Coffman, of Montmorency, Ind. "I tried all remedies available, but with no success. Fortunately my employer suggested that I try Foley's Honey and Tar. Its effect was almost miraculous, and I am now cured of the disease. On my recommendation many people have used Foley's Honey and Tar, and always with satisfaction." H. F. Vorkkamp.

## OFFICIAL CALL

FOR THE DEMOCRATIC STATE  
CONVENTION.

Pursuant to the order of the demo-  
cratic state central committee, notice  
is hereby given that the convention of  
the democrats of the state of Ohio, to  
nominate candidates for state offices,  
to be held at the 10th of November elec-  
tion, 1904, and to nominate four dele-  
gates-at-large, four alternates-at-large,  
and two electors, will be held at Col-  
umbus, Ohio, on

Tuesday and Wednesday, May 24th  
and 25th, 1904.

Each county will be entitled to one  
delegate and one alternate for each  
five hundred votes cast for Tom L.  
Johnson, for governor of state, at the  
November election, 1903, and one ad-  
ditional delegate and alternate for the  
remainder of votes exceeding two  
hundred and fifty.

Delegates to this convention shall  
be elected through primaries, delegate  
conventions or mass conventions, for  
the holding of which at least ten days  
notice shall have been previously given  
on designating the time and place for  
the holding of such primaries and con-  
ventions, and called by the controlling  
committees of the party in such coun-  
ties; except that the delegates from a  
county containing a city in which  
there is a registration of electors, and  
in which city the number of voting  
precincts forms a majority of the pre-  
dicts of the county shall be selected  
by the direct vote of the people, or by  
a convention composed of delegates  
selected by direct vote of the people at  
a primary election held in pursuance  
of the laws of this state. No county  
central or executive committee shall  
have power to name delegates to the  
state convention.

All delegations shall submit their  
credentials to the state central com-  
mittee at Columbus, on Tuesday, May

## WEATHER.

Washington, April 29.—For Ohio:

Fair tonight except rain on northeast  
lake shore, warmer in central and  
south portions; Saturday, fair, warm-  
er, fresh north winds becoming vari-  
able.

A new but dangerous element in  
automobileing is the chauffeur—the  
name given a lady who drives in place  
of that masculine thing known as a  
chauffeur.

Foraker undoubtedly helped pass  
the bill giving back the old reserva-  
tion lands at St. Marys to the state  
warden to appease the wrath of Mr.  
Sullivan, ex-postmaster.

With a poor wheat crop the republic-  
an party will have to invent some  
new story to convince the farmers of  
this country, that it, and it alone is  
responsible for all their prosperity.

What an era of spellbinding can con-  
fidently be looked for during the pre-  
sidential campaign, if the closing days  
of congress can be taken as small  
samples of brilliant, caustic and tell-  
ing oratory.

With election day a part holiday,  
from 8:30 to 9 a. m., as provided by  
the Hynes election bill, the excuse of-  
ten given by electors that they did not  
have time to vote will hereafter be  
invalid.

Bradstreet's reports 198 failures in  
the United States during the past  
week, against 201 for the previous  
week, and 180, 193, 212 and 161 for  
the corresponding weeks of 1903 and  
1900. The Middle States had 60, New  
England 23, Southern 17, Western 50,  
Northwestern 14, Pacific 17 and Terri-  
tories 4. Most of the failing concerns  
had comparatively small capital, but  
many involved large loss. Several  
banks are in the list of failures.

## A TIGHT GRIP.

It is not difficult for the readers of  
the principal trade journals to learn  
that the protected trusts and mono-  
polies have such a tight grip upon pro-  
duction and prices that they have  
both their employees and the consum-  
ers at their mercy. They can put up  
prices while putting down wages.  
High tariff duties on goods give them  
a monopoly in our markets and en-  
ables them to dictate prices at will.  
Free trade in labor and the arrival of  
nearly 1,000,000 immigrants last year  
makes labor plentiful, breaks the par-  
tial monopoly of the trades unions,  
and enables the trusts in a larger de-  
gree to dictate the prices for labor.

What is called "protection" is now,  
and always has been, a one-sided pro-  
position. It means for the favorites  
as against all others, "heads I win,  
tails you lose." It is certain that the  
"full dinner pail" argument, during  
the coming presidential election, will  
sound hollow and empty and will fall  
flat on the ears of the workers. Will  
the republicans, resourceful as they  
are in deception, be able to invent  
some other equally foolish phrase  
with which to beguile the tariff-tax-  
ed and trust-ridden workers? Can they  
run away from the mountain-high ob-  
ject lessons which surround the voters  
on all sides?—Indianapolis Sentinel

## MOTHER

Of Two Lima Ladies Passed  
Away at Wapakoneta.

Mrs. Mariah Wentz, One of the Pio-  
neers of the Auglaize County  
Town, Dies of Paralysis.

Concerning the death of Mrs. J. W.  
Wentz, of Wapakoneta, mother of Mrs.  
Ed. Cunningham and Mrs. C. H. Davis,  
of this city, the Auglaize County Dem-  
ocrat publishes the following:

"Died, at her home in Wapakoneta,  
Sunday evening, Mrs. Mariah Wentz,  
widow of the late Rev. Jacob Wentz,  
who died in Wapakoneta ten years  
ago. The couple were married in  
Pennsylvania on the 25th of February,  
1847. Mrs. Wentz's maiden name hav-  
ing been Mariah Wagner. The de-  
ceased was stricken with paralysis on  
Sunday evening. The funeral services  
took place at the residence on De-  
fiance street, Tuesday afternoon at 2  
o'clock, her pastor, Rev. J. F. Free-  
man officiating. Mrs. Wentz leaves  
eight children, Wm. A. Wentz, mayor  
of Wapakoneta; J. A. Wentz and Mrs.  
Cinderella Cunningham, of Wapakoneta;  
C. L. Wentz, of St. Marys; J. R.  
Wentz, of Fremont, and Mrs. Chas.  
Davis and Mrs. Ed. Cunningham, of  
Lima, all of whom were present at  
the funeral. One sister, Mrs. Emma  
Hoppings, of Yellow Springs, also sur-  
vives her, and attended the funeral.  
There are 17 grand children living and  
12 great grandchildren.

"Mrs. Wentz had been a member of  
the United Brethren church for more  
than forty years, and during all that  
time had lived a faithful Christian  
life. During the twenty-one years she  
had made her home in Wapakoneta  
she had the respect and confidence of  
all who knew her. During the minis-  
try of her late husband, she was his  
tireless helper in church work, and  
aided him greatly in building up the  
cause of Christ. She has gone to her  
reward, but her influence for good  
will be felt for generations."

## CHINA IS EXCITED.

(Continued from page 1.)

the night of April 26th, started on an  
other expedition. At six in the even-  
ing of April 27th, when 300 miles out  
the squadron sighted a Japanese  
steamer with war stores on board.  
Her crew, consisting of fifteen Koreans  
and twelve Japanese, were placed in  
safety and the steamer was sunk by a  
pyroxilin cartridge fired from the  
Gromobol by Lieutenant Bolotnikoff.

The same night, at 11 o'clock, when  
the squadron was 12 miles off Plakins  
Bay, Korea, a large Japanese trans-  
port, the Kinshu Maru, was over-  
hauled. Her commander mistook the  
Russian for a Japanese squadron, and  
signalled: "I am bringing you coal."

The Russian commander promptly  
signalled in reply: "Stop instantly!"  
The crew of the transport then re-  
cognized their mistake and began to  
lower their boats and steam pinnace  
with greatest haste and endeavored to  
escape, but the Russian steam cutter  
captured them all.

On board the transport were four  
Hotchkiss guns of 47 millimetres. At  
the outset it looked as if no one was  
left on board, but on examination it

was found that the cabin was locked  
and barred. Therein the Russians  
found six infantry officers, who sur-  
rendered without resistance and were  
taken on board the Kurik. In another  
part of the ship, 120 infantrymen who  
refused to surrender, were found.  
Admiral Yevzen, whose vessel was  
about 1,000 yards away, ordered his  
men to leave the transport. The Jap-  
anese soldiers then opened fire and  
wounded a Russian coxswain. After-  
wards the transport was sent to the  
bottom by means of a mechanical  
mine and few shells.

The Japanese on board did not  
cease firing and made no attempt to  
save themselves, although they had a  
launch in which they could have left  
the transport. The fire of the Japane-  
se actually continued until the waves  
closed over the ship.

The transport had on board not only  
ammunition, but 3,000 tons of coal for  
Admiral Makamura.

The prisoners numbered 163, includ-  
ing 17 officers. Altogether 210 pri-  
soners were taken by the Russian  
squadron.

It was reported at the time the Rus-  
sian cruisers were returning to Vlad-  
ivostok that a Japanese fleet of ten  
vessels was also making for here but  
it failed to reach Vladivostok owing to  
the fog.

## THE JAPANESE

Tell Their Story of the Sinking of the  
Transport, Kinshu Maru.

Tokio, April 29.—6 p. m.—Seventy-  
three Japanese were killed or drowned  
as a result of the sinking of the Japane-  
se transport Kinshu Maru, which  
was torpedoed by the Russian armored  
cruiser Rossia at midnight, Mon-  
day last.

The Kinshu Maru parted from the  
convoy of torpedo boats in a fog on  
Monday, and at 11:30 p. m., met the  
Russian fleet. She was ordered to  
stop and the Rossia steamed along-  
side, summoned her navigating officers  
on board the Rossia and sent a search-  
ing party on board the transport.  
This party discovered two companies  
of soldiers concealed below and re-  
ported the fact to the Rossia. The  
latter discharged a torpedo, which  
struck the Kinshu Maru amidships and  
broke her in two.

While the transport was sinking the  
soldiers on board her rushed on deck  
and fired volleys from the rifles into  
the Rossia, and as the Kinshu Maru  
sank, several of the soldiers commit-  
ted suicide.

Three boats which floated free from  
the wreckage were the means of sav-  
ing forty-five soldiers and nine of the  
Kinshu Maru's passengers and crew.

Two captains and three lieutenants  
were among the soldiers drowned. The  
survivors succeeded in getting ashore  
and were conveyed by steamer to Gen-  
San today.

# SCENE

**At the World's Fair Grounds**  
**Will Be One**  
**f Almost Unparalleled Activity.**

**Thousands of Workmen Will Labor All Night Getting Everything in Shape.**

**Here Issued Today That no More Exhibits Will Be Received Until Monday—Practically Ready for Start.**

St. Louis, April 29.—The scene at the World's Fair grounds, well just before time for the opening ceremony to begin, will be one of almost unparalleled activity.

Thousands of workmen will labor all night getting the buildings and ground condition to receive the vast crowd of visitors which from all indications will fill the exposition enclosure narrow. Thirty-five miles of roadways are being hurried to completion, and the mud resulting from the heavy rains early in the week are being carted away. Brick, stone and shaft pavements are going down side the grounds, sidewalks are being completed, entrance gates put final shape to handle the rush and inside superstructures, temporary bridges, scaffolding, contractors' buildings, trash heaps and the like are being cleared away.

The lagoons are being filled with water and unless some untoward accident happens, the grand picture of the exposition, in which the Louisiana Purchase Monument, around which opening ceremonies will be conducted, occupied a central position, will be entirely completed.

Orders were issued today that no exhibits are to be received after midnight.

night, until Monday and the installation of displays will not proceed to-morrow. Practically finished, the vast exposition buildings will be thrown open to the public, with all workmen relegated to the background. While the business houses and residences are being decorated throughout the city, every department of public life is preparing for the fair's initial day. The special World's Fair police force of three captains, 18 sergeants and 275 men is being drilled and organized in its new duties and the Jefferson guards are receiving their final instructions.

The street car company are trying out new cars and new crews of conductors and motormen are receiving their last coaching in handling the rush.

Already the distinguished visitors are arriving, along with the crowds to swell the number of people on the downtown streets. Already the hotels and boarding houses are reaching their high water mark. Every train arriving at Union station brings its burden of humanity.

The United States gunboat Nashville and the torpedo boat destroyer Lawrence arrived in St. Louis harbor today. Their presence here is in honor of the opening of the World's Fair to-morrow.

Their arrival was in a measure unexpected as for the last few miles of the trip to St. Louis they ran ahead of their schedule, so that part of the demonstration planned to welcome the warships did not take place.

The fact of their arrival quickly became known and hundreds of people lined the shore and cheered when the first boat load of sailors landed. The warships will remain here for several weeks.

**Refuse to Accept Building.**

St. Louis, April 29.—Hobnailed shoes worn by electrical workers on the roof of the government building at the World's Fair has provoked, it is said, the acceptance of the building by the governing board. The members of the board called attention to the perforations made by the nails and insisted that the roof be repaired before the board would receive the building from the architects.

**Water Not Dangerous.**

St. Louis, April 29.—Belief that all danger from high water is now passed was expressed today by Mayor Cook, of East St. Louis and Mayor Judd, of Granite City. The gradual rise of the

Mississippi is expected to end soon, and if a crest no higher than the predicted stage of 34 feet is reached, the damage will be comparatively small. It is stated. The Mississippi at Hannibal is stationary and thousands of acres of bottom lands are covered.

**Taft Enroute.**

Cincinnati, April 29.—Secretary of war, William H. Taft, who reached here today, left later for St. Louis, where he goes to represent the United States government at the opening of the Louisiana Purchase Exposition to-morrow. He is escorted by thirty-six members of the commercial club of Cincinnati, composed of leading business and professional men. The party traveled by special train over the Baltimore & Ohio Southwestern road. Vice President Wm. M. Green of that road, accompanied the party and took general charge of the train. Lieutenant General Chaffee, U. S. A., and his aide, Capt. Hutchison, Governor Herrick, W. F. Burdell, chairman of Ohio's Worlds fair commission, Judges Severens, Thomson and Richards of the United States courts were guests of the club.

## REBEKAHS

**From Lima Entertained at Col. Grove.**

**Eight Candidates Initiated Into the Order.**

**Following Which a Banquet Was Served by the Members of Gleamer Lodge No. 545 Order of Rebekahs.**

Columbus Grove, O., April 29.—It was a jolly crowd of Rebekahs that left the union depot, Lima, at 4:25 on last evening, bound for this place to do the work in initiating a class of candidates and enjoy the hospitality of Gleamer lodge, No. 545, of this place. Following their arrival here the degree team rehearsed, after which they were served with supper.

The I. O. O. F. hall was thrown open early in the evening and looking its prettiest, tastefully arranged for the occasion. With the merry throng of well dressed ladies and the generous sprinkling of dark coats, a happy scene was created throughout the entire evening. Mrs. Emma Orwig and daughter, Maude, Misses Elsie Logan, Nellie Hooper, Lydia Garber and Ida Kleuter, together with Mrs. Della Cook and Mrs. W. L. Harbaugh, were initiated into all the rights and privileges of the order. The work of the Lima degree team elicited many appreciative encomiums and is said to have been some of the best ever performed in the local lodge room.

Following the workings of the order, a banquet was served. Substantial as well as delectable was the menu, and the banquet was one of the enjoyable features of the evening. Not until every visitor had departed on the 1:33 train for the return trip was the hall closed and only then with the knowledge that a lot of people had enjoyed a pleasant time and more fully exemplified the principles of Odd Fellowship.

In the party were Mesdames McElwain, Eyster, Ella Morris, Speese, Leroy Wheeler, Conart, Daniels, Hagerman, I. W. Smith, Kraft, E. Myers, E. Brown, King, Gilmore, G. A. Harrett, Roy Wetherall, W. Sutherland, Walter Shappell, Amelia Baker, Minerva Dezman, Kate Heth, Florence Shuler, E. Sharp, May Mauk, M. Smith, T. ## TRIBUTE

**Paid to the Memory of John Kabel,**

**Who Succumbed to Consumption at Los Vegas.**

**Deceased Was a Former Resident of This City and Was a Member of the Local Commandery, K. of St. J.**

Concerning the late John Kabel, the well known Lima man and former partner of A. E. Mowery, whose death occurring at Las Vegas, New Mexico, has previously been published, the Daily Optic, of Las Vegas, publishes the following:

John Kabel, a barber by profession, passed peacefully into the spirit world at his place of residence, 210 Ninth street, Sunday evening after three long years of suffering from the most dreadful of all diseases, consumption. The funeral was held at the immaculate Conception church, but his remains were taken back to Fostoria, Ohio, his wife's former home. Mr. Kabel was born and raised on a farm near Custer, Ohio, and at an early age, went to Fostoria and was employed in the Harter Mills, with whom he held a responsible position for a number of years. In the year 1893, he became a resident of Weston, O., conducting a barber shop at that place until November, 1897. Not being satisfied he went to Lima, Ohio, there he located permanently, purchasing the Y. M. C. A. tenorial parlors. He also built a nice residence and soon after was married to Miss Nellie Seebon (this was in 1898, I believe) of Fostoria, making Lima their home until Mr. Kabel's health failed, three years ago. He was advised by physicians to go west, and two years ago, last December he came to Las Vegas in the hope that he might regain his health, but not unlike many others, he waited too long. He was disappointed, although for a time there was an improvement. The tide turned, a reaction set in, and he grew steadily weaker until the time of his death. He was a member of Commandery No. 201, Knights of St. John, of Lima, Ohio, and a life long member of the Catholic church. He leaves a wife and two children, Robert and Irene, aged 4 and 2. Mr. Seebon, Mrs. Kabel's father, of Fostoria, Ohio, reached here in time to spend a few hours at the bedside of the dying man. Mrs. Kabel was a loving wife and a patient mother, and did all that human hands could do for her husband during his illness. Mr. Kabel's death was much regretted by all who knew him, and his memory will be cherished in the years to come by those who knew him best.

## COUNCIL

**Granted an Extension to Fifteenth of June**

**For the Completion of the Grand Avenue Extension of Street Railway Line.**

All members except Mr. Hullinger were present at the special meeting of the city council last night. The purpose of the meeting, as stated by the Times-Democrat yesterday, was announced by President Newson and a resolution to extend the time for the completion of the Grand avenue extension of the street railway line, to June 15th, was introduced. Upon motion the rules were suspended and the resolution was then adopted by a full yeas vote of the members present.

## THE TURF

**Sold by W. J. Riley to C. Asbey, of Battle Creek.**

The Turf restaurant and buffet on north Main street, which has been conducted successfully by W. J. Riley, for a number of years, has been sold by him to Mr. C. Asbey, who was, until recently, the manager of the buffet in the famous Post Tavern at Battle Creek, Mich. Mr. Asbey is a veteran in two lines—as a boniface and as a theatrical and circus man. In the latter profession, he has toured the United States, Canada, England, Ireland, Scotland, Wales and France.

Mr. Riley has not yet decided upon what business he will engage in in the future, but has determined upon taking a much needed rest before again devoting his attention to any business venture.

## FIVE Pins In the Final Game Gave Van Wert

### The Victory Over the Lima Bowlers.

### Visitors Had Contest Sewed Up But Lima Was too Generous

### When Van Wert Grumbled Over Having to Use the Poorer Alley—Very Poor Hospitality.

The Lima team of bowlers that went to Van Wert last night returned home defeated, but with only the narrow margin of five pins standing between them and victory. The arrangement for a series of 3 games out of 5 made it necessary to play the total number and with two games each every man man was keyed up to the highest pitch for the rubber.

In the fifth frame Lima was leading and each man was steaming for a total of close to 200 when Van Wert only grumbled because of the advantage the visitors had in finishing on the best alley. Van Wert was inhospitable enough to take advantage of the offer to change alleys, and from that moment the visitors began to fall in their score and were defeated by 5 pins. That there was a decided advantage in the choice of alleys, the score shows that both Lima and Van Wert lost every game played on alley No. 1, which is not true and resulted in many splits.

The team was accompanied by a number of rooters and the latter expressed much surprise at the cool reception tendered by Van Wert, both before and after the game. The party from Lima was practically left to shift for themselves, a situation far different from the entertainment afforded the Sidney bowlers when they came to this city. The following table gives the score of the players on both sides:

Lima	172	132	159	150	171
Lusk	172	132	159	150	171

## SENTENCE Was on His Lips When the Stroke Came.

### Particulars of the Sudden Illness of Judge Hubbard While on the Bench at Paulding.

The following particulars concerning the sudden attack of illness sustained by Judge Hubbard while on the bench is given in a dispatch from Paulding:

Judge W. H. Hubbard, of DeFiance, suffered a stroke of paralysis yesterday afternoon and is now in a critical condition, his entire left side being affected. The stroke came while he was sitting on the bench in common pleas court, and had just sentenced two prisoners to the penitentiary. Just before dinner time came, he seemed to be feeling ill and did not go to the hotel for dinner, but remained in his private room in the court house. The case which he was trying was that of two young men, Jesse Hessler and Tate Bland, on the charge of burglary and chicken stealing, and he seemed anxious to bring it to a speedy end, owing to his condition. While charging the jury he was hardly able to talk distinctly. While the jury was out he remained in his chair at the bench, and after sentencing the prisoners to five years each in the Ohio penitentiary, he seemed to collapse. He was carried to the Hotel Barnes and attended by physicians.

## FIRST Train Out of St. Louis for World's Fair

### Ran Over and Killed Operator

### For C. H. & D., at Jones Station—Body Found on the Pilot.

### Brakeman Quilman of L. E. & W. Saved Life of Three-Year-Old Child by His Presence of Mind.

William A. Decelles, aged 28, C. H. & D. night operator at Jones Station, was killed last night by the first St. Louis World's Fair train, out of Cincinnati, over the C. H. & D. division. His body was found on the pilot of engine No. 34. From letters in his clothes it was learned that his parents live in St. Johns, Canada. Decelles had stepped across the C. H. & D. tracks to Smith's saloon, where he drank a glass of beer, and hearing the new train approaching, attempted to cross the track in front of it. The body was taken to Hamilton.

Risked His Life.  
The presence of mind of Brakeman James Quilman, of the L. E. & W., was all that saved the three-year-old baby daughter of Mr. and Mrs. Fred Muhlherr, of Clinton street, from meeting a horrible death beneath the wheels of pony engine No. 43 late Tuesday afternoon.

As the locomotive was nearing Clinton street, Mr. Quilman, who was standing on the front of the engine, noticed the child sitting still in the middle of the track. Mr. Quilman was unable to signal the engineer to stop and resolved on a bold attempt. When within a few feet of the child he jumped to the track, seized the small bit of humanity and leaped to one side just in time to allow the engine to rush past. The deed was a fearless one and the brakeman deserves much credit.—Friday Courier.

Read Must Pay.  
The case of Bert Yealey against the C. H. & D. railroad was heard before Justice Sours today. The plaintiff sued for \$225 for a horse killed on the tracks on the Deshler branch of the road by a passing train. He was given judgment for \$175. Charles Blackford represented the plaintiff and John Burket the defendant.—Friday Courier.

Waldo Honored.  
C. G. Waldo, general manager of the C. H. & D. has been elected second vice president of the American Railway Association. Mr. Waldo was the only Ohio man given distinction.

Along All Lines.  
Conductor Wm. Beckman, of the C. H. & D., and son Bert, left last evening for a visit at their old home in Pittsburg.

The Brooks Locomotive Works of the American Locomotive Co., is laying off men, and it is the general belief that the entire night force will be laid off after May 3. If this is done 800 men will be thrown out of employment. Within the last two weeks, 200 men have been laid off.

Serious Stomach Trouble Cured.  
I was troubled with a distress in my stomach, sour stomach and vomiting spells, and can truthfully say that Chamberlain's Stomach and Liver Tablets cured me.—Mrs. T. V. Williams, Laingsburg, Mich. Hyatt, of Kalida, and others.

### REMEDY FOR NOSE BLEED.

For nose bleed there is an old-fashioned remedy which we can thoroughly recommend. The juice of one or two lemons is to be squirted up into the nose, with a good rubber syringe. It should be applied to the side of the nose from which the blood appears. This is almost certain to stop nose bleed. If it does not do so, packing the nose with cotton soaked in lemon juice, is to be thought of.

# TRADE Situation Is Encouraging In Its Outlook For Season of Favorable Weather.

any Rush Orders Are Being Filled for "Exposition Week".

Anticipation of Cold Weather Gives Clothing Merchants Opportunity to Reduce Stocks of Heavy Goods.

New York, April 29.—Advices from prominent commercial interests while reflecting disturbances due to prevalence of unseasonable weather, says International Mercantile Agency, emphasize the basic strength underlying trade conditions, with actual results considerably ahead of last year. Continued cold in the south and northwest has retarded wholesale demand except for boots, shoes, and others, where an extraordinary demand is keeping factories working at time.

Excellent business is reported at west in groceries, dry goods, hardware, machinery, hats and caps, tributary to St. Louis showing exceptional results because of orders for "Exposition week." Temperature, while restricting business, is aiding merchants close out heavy weight goods with result that the stock carried over will be unusually small.

While advance orders are somewhat backward, indications point to extraordinary activity during May. If seasonable weather prevails enormous demand is reported for agricultural implements, farmers evidencing little concern over the future.

Labor troubles are retarding business in Alabama, Iowa, Colorado, and parts of Pennsylvania and Ohio. This contributes uncertainty to a situation which will however be in a measure leveled by the agreement of the iron and mine workers which becomes effective in Colorado on June 1. This will give partial assurance of fixed additions for two years. In other sections more or less trouble is being experienced, although interference is general or calculated to extend generally. This is emphasized by an apparent willingness of mining organizations to modify their requests accordance with restricted output of some evidence of business reaction.

Scientists announce that Bright's disease, diabetes, cystitis and every form of kidney and urinary trouble as well as rheumatism, lumbago, and other ailments do not and cannot last in the great pine forests. The fresh air is laden with the healing and purifying breath from the pines, which bring health to your home and are a never failing cure for all the above troubles. For sale by H. F. ## FOSTER

Serves Another Bitter Concoction for May

Which Is Composed of Shifting Warm and Cold Waves and a Late Frost.

Foster, the weather prophet, causes the cold chills to run up and down a person's spinal column every time that worthy opens his mouth. After all the unreasonable weather that has made the present April famous, the weather prognosticator holds out very poor encouragement for the coming month of May. He says:

"Last bulletin gave forecasts of disturbance to cross continent 29 to May 3, warm wave 28 to May 2, cool wave May 1 to 5. Next disturbance will reach Pacific coast about May 2, cross west of Rockies by close of 3, great central valleys 4 to 6, eastern states 7. Warm wave will cross west of Rockies about May 2, great central valleys 4, eastern states 6. Cool wave will cross west of Rockies about 5, great central valleys 7, eastern states 9.

This disturbance will end the high temperature wave for the first week May and a very great fall in temperature will follow. Look out for very dangerous storms May 8 to 13 and very cold weather not far from May 9 on meridian 90, a little earlier as we go west. A little later as we go east.

"This cold wave will take frosts unusually far southward. It will not be good for growing crops of any kind and our women folks would better be on guard in the northern states over their greenhouse plants and tender plants in the ground."

"The southern states will feel this cold wave of May, but their difficulties will come with floods in some places, drought in others, high rivers."

Bee's Honey and Tar will prevent or cure pneumonia. It will utterly destroy the germs of the disease. It is marvellously efficacious in every form of lung inflammation, tones up the exhausted glands and builds up the muscular tissues. Cures all coughs, croup, whooping cough and expels colds in one night. Try it. For sale by H. F. Vorkamp's drug store.

**Best Cough Medicine For Children.**  
When you buy a cough medicine for small children, you want one in which you can place implicit confidence. You want one that not only relieves but cures. You want one that is unquestionably harmless. You want one that is pleasant to take. Chamberlain's Cough Remedy meets all of these conditions. There is nothing so good for the coughs and colds incident to childhood. It is also a certain preventive and cure for croup, and there is no danger whatever from whooping cough when it is given. It has been used in many epidemics of that disease with perfect success. The funeral services over the remains of Andrew Warren, whose sudden death at his late home on north Union street, was announced in the Times-Democrat, yesterday evening, will be held at St. Rose church tomorrow afternoon at 2 o'clock. Interment will follow in Gethsemani cemetery.

**\$100 REWARD \$100.**  
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and leaving the system strengthened by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one hundred dollars for any case that it fails to cure. Send for a list of testimonials. Address, F. J. ## THE MARKETS.

New York, April 29.—Opening prices of stocks today, were higher but there was no striking new feature in the market. Dealings were small and most of the changes were insignificant. Mexican Central rose 3/4, Anaconda and U. S. Rubber about a point and the preferred 1-1/8.

The market dropped into stagnation again but made no progress towards recovery. Declines ran from 3/4 to a point in Union Pacific, Atchafalaya, Denver and Rio Grande, and Car. C. S. lost 1 1/2 and Erie second preferred 1 1/2. The closing was steady but lifeless.

## QUARREL OVER CARDS.

Grand Rapids, Michigan, April 29.—C. P. Shea, international president of the Teamsters' Union; K. B. Fitzpatrick, first vice president; and Walter S. Hack, organizer of the United Garment Workers, were arrested last night on the charge of assault and battery. The assault, it is charged, was committed upon a man named Foster, with whom the three had been playing cards at the Clarendon hotel, and followed, it is alleged, a dispute between Foster and his wife. The three labor leaders remained in police headquarters the rest of the night. Shea and Fitzpatrick are here conducting the local teamsters' strike.

## Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y., "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had consumption in an advanced stage, also used this wonderful medicine and today she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for coughs and colds. 50c and \$1.00 bottles guaranteed by H. F. Vorkamp. Trial bottles free.

The Kind Our Mother Used to Take.

It Was The Best Prescription Then—It Is NOW.

In the old days it was sometimes considered fashionable to be delicate, pale and with an inclination to faint at the least provocation. It is different now. America is raising a strong race—a race of vigorous and healthy mothers. When a woman becomes nervous, suffers from headache, sleeplessness, a general tired-out and fagged feeling, with dragging-down pains, she turns to the right remedy. She is positive she can get relief and assistance from Doctor Pierce's Favorite Prescription.

Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the disease and weakness peculiar to women ever attained, the proprietors of Doctor Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500

in legal money of the United States, for any case of Leucorrhoea, Female Weakness, Protrusion, or Falling of Womb, which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.

There is every reason why women should not trust their delicate constitutions in the hands of unskilled persons. It requires a thorough medical education to appreciate and understand the woman's organism. When a woman has ill life seems dark for any woman, she should confide her troubles to a physician of standing in the community, or one who has a national reputation. Certainly it would not be the part of wisdom to confide in an ignorant person without medical education simply because she was a woman. There is every reason why she should write to some great specialist, one who has made the diseases of women a specialty for a third of a century, like Dr. R. V. Pierce, founder of the "Invalids' Hotel and Surgical Institute," Buffalo, N. Y. All correspondence is held sacredly confidential, and he gives his advice free and without charge.

**SINGLE AND MARRIED WOMEN**  
Very often find that it is repugnant to their feelings to consult their family

physician. In such a case they can put perfect confidence in Dr. Pierce, who has made such a success in the treatment of women's diseases, so he will give you the very best advice possible, and without cost to you. To grow beautiful, healthy and happy should be the desire of every woman. It is then possible to hold a husband and make home happy and bring contentment to it.

Dr. Pierce's Favorite Prescription gives the mother health to give her child. It cures nervousness, nausea and sleeplessness. It makes the body comfortable and the mind content. It gives physical vigor and muscular elasticity so that the baby's advent is practically painless.

"I write you to let you know I received your kind and ever welcome letter and your kind and fatherly advice," writes Mrs. Ida Martin, of Barry Ky. "I commenced your treatment the next day after receiving your letter some months ago, and followed your advice as closely as I could. Am glad to say I am in better health than have been for years. Believe I suffered from every disease that any over-worked, run-down woman could. Was not able to do anything, could not get one good night's sleep, had heart disease of the worst type. A disordered liver was one great trouble, and, passing through change of life, it seemed to cause me excruciating pain in breast and shoulders. I had no appetite, could not sweep nor do any housework. I took treatment from three of the best doctors in our town but grew worse every day, so I decided to write to Dr. Pierce for advice. I took the medicines just as you advised and continued until I had taken six bottles of 'Golden Medical Discovery' and 'Favorite Prescription.' I know that your medicines did more for me than all the medical treatment I had ever taken."

Mrs. Geo. W. Wood, of Whitehall, Mich., writes: "I feel that I must let you know how much good your 'Favorite Prescription' has done for me. In June, three months ago, an eight-pound boy was born to my first child. I took eight bottles of Dr. Pierce's Favorite Prescription before his birth and got along nicely; was sick only a short time, and when baby was born I felt nearly as strong as I ever did. Was staying at my mother's at the time, and when baby was one week old I rode from there to my home, a distance of about two miles. Got up the fourth day and remained up, and when baby was two weeks old I walked to town and back which is quite a distance from where we live. I also felt so strong that I set out for a short time the very day he was born. Baby is healthy and growing very fast, and I give the credit to your wonderful medicines."

**MARRIED WOMEN**

# YOUR KIDNEYS ARE THEY WELL?

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned. Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered kidneys. A simple test for kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

A guarantee of 250 passengers has been given the railroad company and a band of 24 men has been engaged to accompany the delegation. Mr. Kinder has engaged rooms at the Lima House for his headquarters and will arrive here with a party of friends on Monday morning.

The politicians worked another fine scheme late in the session of the recent unadorned legislature, says the Columbus Press-Post, to wrest from the mayor the control of boards of health, unless the mayor is himself a politician of the desired school, and in the said boards over to the politicians. This has been accomplished through the passage of a bill introduced by Representative Shuler of Dayton during the last hours of the session.

tion, which provided for the enlargement of the powers of councils of municipalities. Its provisions were that whenever the city council should decide by a majority vote the board of public service should act as the board of health. It was introduced during the middle of the session but no effort was made to pass it until the session drew toward a close and everything in the shape of a bill was passed without a word of explanation.

It now develops that secretly the machine politicians from all over the state threw all of their influence toward securing its passage. The Toledo organization was after Mayor Sam Jones, and being in control of the city council, has now the power to wrest the health department from his direction and management. In Dayton the board of health offered the politicians by removing certain officers, and it was decided that the members should be punished. Down in Senator Henkle's district along the Ohio river there was a quarrel on between certain forces, and it was decided that the board of health had to go. So quietly was it done that Secretary Probst of the state board of health did not learn of it until Monday night after the general assembly had adjourned. He at once declared that the passage of the bill was a heavy blow to the sanitation of the state and a backward step.

A very pretty home wedding was solemnized Wednesday evening at the home of W. S. Cole, on east Columbus street, says the Kenton News-Republic, when Miss Nellie Cole was united in marriage to Jacob C. Luckoff, formerly of this city, but now of Lima. The ceremony was performed at 6 o'clock by Rev. R. D. Hollington in the presence of a number of friends and relatives. The rooms were prettily decorated with carnations. The bride was charmingly gowned in gray silk grenadine, while the groom wore the usual black. Frank and Steffen furnished the music.

After the ceremony a delicious three course dinner was served. Mr and Mrs Luckoff are well and favorably known. A number of beautiful presents were received. They left on the afternoon train for Lima where they will be at home at 714 west Kirby street. Mr. Luckoff is employed at the machine works of the Solar Reining Co. of that city.
